Building Condos in Edmonton for Nearly 40 Years

A Builder You Can Trust!

Over 6,150 local area residents put their trust in Carrington Communities to build them the condo of their dreams.

Not only is Carrington Communities your local award winning condo builder, we are the largest condo builder in Edmonton.

Other builders may come and go but Carrington Communities is staying the course, offering superb craftsmanship and warranty service to our customers since 1973. We are an accredited builder with Alberta New Home Warranty and a member of the Better Business Bureau.

Carrington Communities has a large choice of

suites that are priced right, and offer you great value. They are built with superior construction methods, like excellent sound attenuation, and No Burn[®] fire retardant.

Carrington Communities has built over 6,150 condos over the last 38 years, all over the city of Edmonton and into the surrounding areas.

Many of our units offer incredible amenities, from lakeside living to urban convenience, so your lifestyle won't ever be compromised.

Whether you are an empty nester, a snowbird or a first time home buyer, Carrington Communities has your

perfect suite in an idyllic location.

And to make the building process easier, Carrington Communities has an interior design department to help you make the right choices for customizing your suite.

See our Journal & Sun ads every week for our special promotions. You can also find us in the Condo Guide or check out our website at www.carrington.ca.

We have condos available for immediate possession, so you can **move in now!**
