Creating Spaces.

On completion of your sales contract, an Interior Design Consultant will contact you to arrange your personal consultation. Interior design consultations are an exclusive service only available to Carrington Communities and Bedrock Homes clients. It is our goal to facilitate an interior selection process that will not only be an easy experience for our home purchasers but to create a finished product that will bring lasting value for years to come.

At your appointment you will work one-on-one with our professionally trained Design Consultants as they walk you through the design possibilities. Tour our extensive showroom and choose from a vast selection of trusted brand name products such as Kohler, Kitchen Craft and Hunter Douglas. We are confident that with the help of our Interior Design Team, it will be easy to make your new condo or house, a home that is uniquely yours.

The Interior Design Studio is open Monday to Friday from 9:00am to 5:30pm and evening or Saturday appointments can be scheduled. Please note that visits to the Interior Design Studio are by appointment only. In order to ensure an optimal experience, please allow 2-3 hours for your appointment. To find out more about our Interior Design Studio, please ask your Sales Representative.
